

Sandy Bay Post-Secondary Program

Box 109, Marius MB. R0H 0T0 Phone: (204) 843-2603 Ext.225 Fax: (204) 843-2706

Dear Applicant:

The decision to pursue a post-secondary program is serious one and all aspects of that course must be considered before applying for sponsorship. Post-secondary studies require preparation, sacrifice and commitment. A high level of maturity and independence is also required to cope with living away from home, family and friends in an unfamiliar environment. The student's family will also face this same challenge.

Before making application for educational assistance, the student must complete an application for admission to the educational institution of her or his choice. The student must present written documentation from the institution that he or she has met the entrance requirements and has been accepted for admission.

The student must complete the Sandy Bay Post-Secondary Application form, which can be obtained at the Post-Secondary office located on the Sandy Bay First Nation.

This form must be completed by new applicants and by students requiring a renewal of assistance for continued study. The Education Counselor and Administrative Assistant are available to assist students in completing the application forms. The completed application for educational assistance form should be signed by the student and submitted to the Post-Secondary Office.

Continuing students are not eligible for funding to start a new program, they must move laterally academically. The student must progress naturally in his/her chosen field of studies.

When all documentation has been provided, all new applicants may be required to attend an interview with the Post-Secondary Counselor at their own expense. The interview will provide the applicant with the opportunity to discuss his/her educational and career goals. The Education Counselor will recommend interview sites and dates.

Application into special programs shall require additional screening processes. (E.g. interview with spouse for sponsorship into programs.)

Applications for funding must be received by:

- *March 15 for Spring/Summer enrolment*
- *May 15 for September enrolment*
- *September 30 for January enrolment*

Sandy Bay Post-Secondary Program

An application will not be considered if the applicant has made prior arrangements and has attended a post secondary institution on his/her own. Any commitments made to any organization without prior written approval and/or application will be the student's own responsibility.

To help you with your application, you can go through these steps with the application procedure.

- *Apply to the College or University of your choice. (at your own expense)*
- *Apply to the Post-Secondary Program for Sponsorship. "Post-Secondary Application Form" Complete form and return to the address above with all the required documentation. (As listed on application form)*
- *Your treaty status and information is then verified and checked for sponsorship eligibility.*
- *You will be informed by the Post-Secondary Counselor as to the status of your application.*
- *If at anytime the information you give is false that will be grounds for your application being suspended or denied.*

If you require additional information, feel free to contact me at the above number.

Yours truly,

Gloria Beaulieu
